All sinks are not created equal!

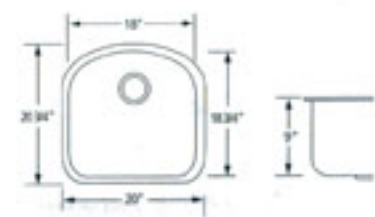

Artisan Manufacturing offers premium quality sinks in a 16 gauge thickness, 304 commercial grade, 18/10 stainless steel. This new sink Collection, with its high luster satin finish is recognized to be durable, practical and very stylish, complementing the latest trends in kitchen design. The superior craftsmanship gives long lasting beauty with resistance to both stains and corrosion. Artisan offers 11 styles and 17 sizes with depths up to 10-1/8" and widths to meet every design and functional requirement, including single, double and extra deep bowls, offset sinks and bar sinks. With their fully-coated underparts and extra rubber pads, the sound deadening result is superior and water temperature is maintained. Stylish, functional and affordably practical. Perfect for those price sensitive and design oriented kitchens.
